# CLASSIC UNDER-CANVAS — SAFARIS —

### THE EXPERIENCE

Your safari under canvas starts in the Moremi Game Reserve. Moremi perfectly complements the aqueous vistas of the Okavango, providing both the beauty and tranquility of the Delta and the wonder of game drives and walking safaris.

Lechwe, elephant and kudu frequent the Okavango, hippo bask in its depths, crocodile drift on its gentle current and a wealth of birdlife is attracted by the constant water source and lush vegetation. While in Moremi, giraffe and zebra share the plains with numerous antelope species, hyena and the big cats.

### QUICK FACTS:

- Moremi Game Reserve is home to several endangered species including cheetah & African wild dogs
- Named after chief Moremi III, the reserve was established by his widow to preserve both wildlife & indigenous culture.

## — YOUR HOSTS —

### JOHN BARCLAY & JAMES STENNER

Your hosts, John Barclay and James Stenner combine the lifelong expertise of a Motswana local with decades spent as an authority on luxury mobile safaris. Born and raised in Botswana, John Barclay shares his passion for and love of his homeland with our clients, escorting them personally on game drives and walking safaris to divulge the wisdom and tales of a lifetime spent in this abundant environment.

English by birth, James Stenner was always fascinated by the stories of colonial adventure through Africa, enamoured of its romanticism and captivated by its nature. After emigrating, he worked with several companies to become both an expert in luxury mobile safaris and one of the very few expats to be recognized as a qualified professional guide in Botswana.

In the hands of this highly-experienced duo, our clients are afforded the very best in this experiential mobile safari, from highly attentive and personalized guiding to elite, bespoke accommodation that, though under canvas and mobile, is every bit as elegant and extravagant as the more established lodges of Africa.

### YOUR HOSTS:

- John Barclay & James Stenner share over 50 years of luxury safari camping & local knowledge
- Both highly-qualified guides, the pair can ensure the optimal wildlife experience for our clients
- James' acute attention to detail has created a venue that is a camp by name only, with no expense spared to ensure comfort & luxury
- John & James have drawn on the culture & history of colonial mobile camps & infused it with contemporary knowledge & amenities.

### YOUR 4-NIGHT UNDER-CANVAS CAMP

**Nights 1, 2 & 3 | Under Canvas:** Adopting the age-old traditions of an early colonial safari together with modern luxury travel influences, each exclusively designed tent provides roll-down, fly-netted doors and windows, allowing you to choose privacy or wake to the sunrise across the grasslands. Sumptuous mattresses and luxuriously soft pillows are furnished with the finest Egyptian cotton sheets, an en-suite bathroom features a conventional throne toilet, rarely seen in mobile safari camps, and an indulgent brass showerhead to soak away the dust of a day's game drive. Organic soaps and shampoos are provided. Throw rugs scattering the floor and a timber writing desk and vanity create nuances of Arabian Nights and the Bedouin camps of Morocco.

Meals are taken in the central dining tent and are freshly prepared to your family's needs. A full crew of exceptional safari staff are on hand to look after your every wish, whether it is preparing a beautifully-laid dinner under the stars or a piping hot shower upon return from your afternoon's adventures.

**Night 4 | Adventure Camp:** Your last night will be spent in an adventure camp on a private island in the heart of the Okavango Delta. Accommodation will be in 2-person mosquito tents with a separate safari toilet and safari shower. Meals will be cooked by your chef and dining will be outdoors around the communal table under the stars. The adventure camp provides an even greater immersion in your natural surroundings.

### DINING UNDER CANVAS:

Cuisine is impeccably planned offering the finest dining experience achievable in such a remote location. Working alongside premier chefs, the menu is worthy of any restaurant in one of the world's most exclusive settings.
